

REAL: Women

Resilient, Empowered, Authentic, Leaders
2024-25

A leadership development programme to support educators in becoming more resilient, more authentic and more empowered as leaders.

Do you want to be a Resilient Empowered Authentic Leader? Do you want to be challenged in a safe space to reach your full potential? Do you want to grow in confidence in your leadership abilities? Do you want to be able to articulate your strengths? Do you want to intentionally reflect on your areas for development? Then we have the leadership development programme for you!

Join us and a cohort of women leaders to individually and collectively explore the themes of:

- Real Authentic Empowered Leadership
- Clarity of Direction
- Awareness
- Resilient Decision-Making
- Leadership Presence
